Forever Pucked is the sequel to Pucked, the first book in this series and again, focuses on Alex and Violet. Most of the same characters are at play here as were introduced in the first book and as youd expect, their lives have not been static. Forever Pucked was as funny and enjoyable as the first three books in this series. Violet, a woman with no filter, is one of my favorite characters in this series, and Alex is the perfect yin to her yang/5(20).

Forever Pucked is another great addition to this series. Alex and Violet remain my favorite characters so getting another book centering them as a couple-I'm all pucked up for it! Violet is still trying to come to terms with setting a wedding date/5.
