In addition to the precise translation of the ancient work, The Wiles of War provides for each of the thirty-six strategies the Chinese text, a lucid explanation, quotations for reference from other military classics, and the account of an ancient battle Reviews: 5. "There can never be too much deception in war," so goes a familiar Chinese maxim. Deception constitutes a main topic in every ancient Chinese classic on military strategy. However, it is uncommon for a book to deal almost exclusively on deceptive schemes, as in Secret Art of War: Thirty-Six Strategies/5. This is sometimes followed by quotations from various ancient military works to further exemplify the strategy. The account of a historical battle or campaign featuring the successful application of the strategy makes up the final part of each kendrick1971.coms: 5.
